

# The Community Development Society Series

Paul Lachapelle, Series Editor

## Community Development Approaches to Improving Public Health

Edited by Robert S Ogilvie

As the rates of chronic diseases, like diabetes, asthma and obesity skyrocket, research is showing that the built environment – the way our cities and towns are developed – contributes to the epidemic rates of these diseases. It is unlikely that those who planned and developed these places envisioned these situations.

April 2014 | 158 pages | PB: 978-0-415-75475-0 | \$54.95 · £30.00

## Tourism, Planning, and Community Development

Edited by Rhonda Phillips and Sherma Roberts

The intersection of community development, tourism and planning is a fascinating one. Tourism has long been used as a development strategy, in both developed and developing countries, from the national to local levels.

April 2014 | 146 pages | PB: 978-0-415-75490-3 | \$54.95 · £30.00

## Community Economic Development

Edited by Rhonda G. Phillips and Terry Besser

The role of economic development in communities is multi-faceted, having an array of antecedents, impacts, and implications. This volume explores the relationships between economic development and community development, focusing on the aspects that impact communities such as social capital, participation, and business development.

August 2013 | 176 pages | HB: 978-0-415-63409-0 | \$145.00 · £85.00

## Sustainable Rural Development

Edited by Mary Emery, Isabel Gutierrez-Montes and Edith Fernandez-Baca

This book brings together several systems-level approaches to the consideration of the interaction of livelihood choices, natural resource management and participatory action research on sustainable development.

May 2013 | 120 pages | HB: 978-0-415-82520-7 | \$145.00 · £85.00

## Cooperatives and Community Development

Edited by Vanna Gonzales and Rhonda G. Phillips

This collection of articles chronicles new developments in the ways in which cooperatives are used in a diverse array of community contexts. They offer insight as to what these changes mean, both empirically and theoretically, for community development in the decades to come.

April 2013 | 176 pages | HB: 978-0-415-63412-0 | \$145.00 · £85.00

## Developing Sustainable Agriculture and Community

Edited by Lionel J. "Bo" Beaulieu and Jeffrey L. Jordan

This book illustrates the ways in which communities can strengthen the links and set the stage for long-term partnerships between sustainable agriculture and sustainable rural community development initiatives.

April 2013 | 104 pages | HB: 978-0-415-63371-0 | \$145.00 · £85.00

## Local Food and Community Development

Edited by Gary Paul Green and Rhonda G. Phillips

This volume explores the relationships between food and community, and the various approaches for development through a selection of chapters illustrating a wide range of applications.

March 2013 | 104 pages | HB: 978-0-415-63414-4 | \$145.00 · £85.00

## Community Leadership Development: A Compendium of Theory, Research, and Application

Edited by Mark A. Brennan

This book brings together classic and contemporary articles drawn from Community Development. Divided into two sections, the book begins with a range of seminal leadership theory and conceptualization pieces.

February 2013 | 184 pages | HB: 978-0-415-63411-3 | \$145.00 · £85.00
